To All -

Here's the draft of the Powerpoint presentation for the Feb. 26 meeting. We can discuss on Thursday.

Hopefully we won't get much snow over the next few days! Attached is an agenda for Thursday's meeting. We've nailed down some of the details for the public meeting, specifically, it will be on Thursday, February 26. We are working on a specific location (likely the Edison Neighborhood Association building) as well as some other logistical issues.

I have also prepared a draft of a Powerpoint presentation the City plans on sharing at the meeting. That will hopefully be finalized in the next day and I'll attempt to send that out tomorrow (Wednesday.)

See you at 10 AM on Thursday, the 5th at the MDOT-TSC Coloma facility.

Bruce
